

## Allied Health Professionals: Occupational Therapist and Physiotherapist

Are you interested in joining Silver Chain's team of **Allied Health Professionals** in Bunbury?

Silver Chain's Allied Health teams support clients at home by delivering expert care to maintain their independence and links to the community.

We are currently seeking suitably qualified **Occupational Therapists** and **Physiotherapists** who wish to work from our Bunbury Service Centre on a **part-time** ongoing basis.

Our Occupational and Physiotherapists provide a holistic approach to short term, goal driven and independence focused care – enabling our clients to remain in their home. These engaging roles require travel throughout the Bunbury region and will see you working with our clients throughout the community.

Successful applicants for either of these positions will have demonstrated post graduate experience, preferably in the community sector.

In return, Silver Chain can offer generous remuneration as well as comprehensive orientation, support and opportunities for professional development. Work with Silver Chain and earn up to **\$16,050** of your annual salary **tax free** through our unique salary packaging options.

To express your interest in either of these opportunities please email your resume and cover letter to [recruitment@silverchain.org.au](mailto:recruitment@silverchain.org.au) If you would like to find out more about these roles, please contact Terri Olsen on 08 9721 0416 or visit [www.silverchain.org.au](http://www.silverchain.org.au) to find out more about us.
