

Continence Physiotherapist

COR-PD-365

Silver Chain is one of the largest providers of community and health services in Western Australia. Our Continence Management and Advice Service (CMAS) assists clients to improve their incontinence where possible and to manage their bladder and/or bowel problems so that they can undertake their daily activities in comfort and with confidence.

An opportunity exists for **Continence Physiotherapists** to join our CMAS service on a **part-time** basis for an initial **fixed term** of 12 months. Positions are currently available at our CMAS clinics at Stirling and Maddington.

As a Continence Physiotherapist, you will undertake specialised physiotherapy duties and provide clinical leadership in the areas of continence management and the treatment of pelvic floor dysfunction, applying specialised techniques and exercising independent professional judgement as a frontline practitioner managing a complex clinical caseload. You will act as a consultant to clinical nursing staff through case management support, education and/or training.

Successful candidates for this position will possess:

- Relevant tertiary qualifications in Physiotherapy with postgraduate qualifications and/or demonstrated experience in continence management and the treatment of pelvic floor dysfunction
- Demonstrated advanced clinical skills and competency in assessment and treatment methods, problem-solving and client/carer education in the areas of continence management and pelvic floor dysfunction
- Demonstrated ability to contribute to service evaluation and improvement
- Demonstrated ability to work autonomously and within a team environment
- Well developed communication (verbal, written and listening) and interpersonal skills to liaise with clients, carers, families and direct care employees as well as demonstrated time management and organisational skills to effectively plan and prioritise work
- Problem solving, negotiation and influencing skills to determine and implement care plans
- Computer literacy in Microsoft Office suite to prepare correspondence and documentation
- A demonstrated understanding of service provision, allocation and compliance with contractual obligations as well as the ability to respond to dynamic and/or complex clinical management situations and refer clients appropriately

Silver Chain offers comprehensive induction and a salary commensurate with your experience/qualifications and generous salary packaging – earn up to **\$16,050 tax free** per annum. If you wish to register your interest in this exciting new role, please submit your application to recruitment@silverchain.org.au

If you would like to find out more about this opportunity, contact **Laura Knight** on **08 9242 0236** or visit www.silverchain.org.au to find out more about us.
