

Diabetes Educator

Silver Chain is one of the largest providers of community and health services in Western Australia, providing a range of services across metropolitan, country and remote areas. Country and Home Support Services assist people in need to live in their community and maintain their independence.

Silver Chain's **Warren Blackwood** service centre is looking for an energetic person to join their team as a Diabetes Educator.

This is a part time role working 8 hours a fortnight, either 1 day a fortnight or 4 hours a week.

The Diabetes Educator has a variety of duties, including but not limited to the following tasks:

- Assessment and diabetic care delivery.
- Formulate and maintain diabetic care plans.
- Deliver educational support and attend training and education.
- Participate in staff meetings.
- Promotion and focus on diabetic education and support.

If you have the skills and experience mentioned below, then we would like to hear from you!

- Relevant qualifications as a Diabetes Educator, eligible for registration with ADEA.
- Knowledge and ability to use appropriate treatment and assessment methods.
- Well developed communication (verbal, written and listening) and interpersonal skills.
- Time management and organisational skills.
- A team focus while being able to work autonomously.
- Problem solving, negotiation and influencing skills.
- Experience in providing education programs.
- Current Senior First Aid Certificate.
- Previous experience in a community or residential environment within the aged care industry.
- Computer literacy.
- The ability to obtain a satisfactory National Police Certificate upon commencement of employment.

For further enquires please contact Janet Smith, Service Co-ordinator on (08) 97610000 or alternatively you can send a recent copy of your resume along with a cover letter addressing the above selection criteria to the following address by **Friday, 17 September 2010** to:
