

Quality Co-ordinator

COR-PD-258

A rare opportunity has arisen within Silver Chain for a **Quality Co-ordinator** who's focus will be in monitoring and supporting improvements in clinical services. The role is a permanent full time position located in Osborne Park which involves inter and intra state travel. To facilitate travel requirements of the role, a **company vehicle for unlimited professional and personal use** is provided through salary packaging as well as a competitive remuneration package.

The successful candidate will have extensive experience in a variety of clinical roles and have a commitment to the provision of safe quality care. They will also have good analytical skills to identify improvements and trends as well as strong interpersonal, time management and organisational skills.

The role requires a tertiary qualification in a healthcare discipline and previous experience in a similar role will be an advantage.
