

Registered  
Nurse –  
Level 2

SILVER CHAIN

EVERY MINUTE. EVERY HOUR. EVERY DAY. WE CARE.

## Registered Nurse - Level 2

Are you a qualified **Stomal Therapist** looking for a Career Development Opportunity?

**CMAS has RN positions available now which include a sponsorship opportunity to attend the Post Grad Continence course in 2011.**

**Expressions of Interest** are sought from Silver Chain stomal therapists, who wish to work towards a Continence Nurse Advisor role, to join our team of nurses in the Perth metropolitan area. These roles are initially on a secondment basis until 30 June 2011 with an extension of contract dependent on successful completion of Post Grad Continence course and renewal of funding.

### Frontline role in Continence Management

The Continence Management and Advice Service (CMAS) provides clinical assessment and advice for clients with bladder and bowel problems.

CMAS clinics and home visit rosters currently operate at Stirling, Myaree, Guildford, Joondalup, Bentley, Kelmscott and Mandurah. Where possible priority will be given to roster nurses at their current location, however, demand for CMAS may require a nurse to work sessions at another clinic. A commitment to work a minimum of two days a week for CMAS is required.

Course fees and four weeks full time wages will be sponsored by CMAS for the successful applicant(s) to attend the Post Graduate Continence Course at Hollywood Private Hospital in May 2011.

This is an exciting professional opportunity for nurses who enjoy being in the frontline delivering care. If you are interested in further developing your skills in continence management and joining CMAS, send a letter with a short statement outlining your interest, your preferred hours and clinic location, a copy of your CV and referees to Recruitment by **5:00pm Friday, 17 September 2010**. For further information please contact Project Manager, **Carolyn Lawrence**, on **9344 7499**.
