

EVERY MINUTE. EVERY HOUR. EVERY DAY. WE CARE.

HR-PD-474

Silver Chain is a large and highly respected organisation with a proud history and turnover in excess of \$100 million. We employ over 2,500 people throughout Western Australia, delivering a very broad range of community care services ranging from 'in home' to residential care.

This role is a Monday to Friday role working 27 hours per week, this role is an exciting opportunity to combine the ability to conduct individual sessions in a clinic setting, providing management advice and assistance for clients in regards to their diabetes.

The successful applicant will be required to network to ensure there is adequate communication in regards to this valuable service and may at times run group information sessions to support the service.

You will have relevant qualifications in Diabetes Education and will be passionate about assisting people to manage their diabetes in an educating and supportive role, whilst being flexible in your approach to work.

Please forward a resume and cover letter detailing your experience and interest by **Friday, 5 September**.
